INVESTMENT OBJECTIVES

2x

Target approx. 2x
inflation

2x

Target approx. 2x
bank returns

Aim to match or
outperform KSE
Index

Targets depend on
market conditions

NOT GUARANTEED

Clear, Measurable Goals

BENCHMARK-BASED APPROACH

Our aim: real net wealth growth, not just nominal return

Why Benchmarks Matter?

Inflation

CAGR ~12%

(*Data from Last 20 years)

Target ~24% p.a.

Bank returns

CAGR ~11.5%

(*Data from Last 20 years)

We aim to
double them

**Banks may
reduce real
value of money
over time**

**Equity
benchmarks
represent true
market
performance**

SHARIAH-COMPLIANT STRUCTURE (MUDARABAH)

- Earnings only from profit-sharing
- Shariah-based structure, certified & supervised
- Ethical Islamic financial partnership model

Muḍārabah Framework

- **Rabb al-Māl** (Client) → capital provider
- **Muḍārib** (Youngs Capital) → management + expertise

Profit Split

70% → Client

30% → Youngs Capital
(performance-based)

Loss Handling

- Business loss falls on investor capital
- Manager's loss = time, effort, opportunity
- Liability only if negligence /fraud/violation occurs

Aligned model – we earn only when you earn
